Welcome!

GracePointe Church desires for you to grow in your faith by learning to read and understand God's perfect Word. We have multiple opportunities for you to study His Word in the context of a community that best meets your needs.

It is a core belief of the GracePointe staff that our small groups will enable you to meet and engage others in a way that will allow you to live your life according to His precepts. Ultimately, this type of intentional living will result in His Glory and our good.

GracePointe Groups allow us to live a life that is "Transformed by Grace, Walking by Faith, and Reaching in Love."

We strongly encourage you to get connected and grow!

If you have any questions, please contact Jeff@gracepointedenton.com. Or, you can call GracePointe Church directly at 940-323-1036.

GracePointe “One to One”

This fall we are offering three different “One to One” books. First, we have a study called *The Truth*. This study challenges believers to know the core doctrines of the faith.

Also, we have a book study called *Because He Loves Me*. This book looks at the “practical impact of God’s great love for his people in every aspect of Christian living.”

Finally, we have a book designed specifically for women called *Woman to Woman*. This study is designed to truly challenge women to understand and embrace God’s unique calling for their life.
