It is a core belief of the GracePointe staff that our small groups will enable you to meet and engage others in a way that will allow you to live your life according to His precepts. Ultimately, this type of intentional living will result in His Glory and our good.

GracePointe Groups allow us to live a life that is "Transformed by Grace, Walking by Faith, and Reaching in Love."

This class is a Christ-based approach to recovery.

This class helps all people with their “hurts, habits and hang-ups, including but not limited to drug and alcohol addictions, eating disorders, and anxiety disorders.”
