

COVID-19 Precautions

Drop Off and Pick-up

The main entrance of the Kidzone will be entrance only doors. The doors in the back of the building will be an exit only.

During this season, in an effort to minimize the number of people in the building, we will only admit up to four families into our lobby at one time for check -in.

Families are asked to form a line under the awning of the Children's Building. After a quick temperature check, you will enter the building.

At the door, a volunteer will greet you and have you move to one of four family check-in areas. There, your child will be checked-in and you will receive your pick-up tag.

K-5th parents will not be permitted in the classroom hallways. From your check-in area a volunteer will walk your child to their classroom while parents exit through the back doors. Infants through preschool parents will walk children to their classroom. Only one family at a time will be permitted at each classroom door. Preschool parents will exit through the playground doors.

To pick your child up, please return to the entrance only doors. We will admit up to four families at a time to the parent drop off/pick up areas. After receiving your pick-up tag a volunteer will bring your child to you. You will then exit out of the back doors.

COVID-19 Precautions

Classroom Guidelines

Once inside the classroom we understand that we won't be able to socially distance properly, therefore we will rely on the following precautions to ensure the safety of your children:

- Classroom size will be limited.
- Supplies won't be shared between service hours.
- Every other classroom will be closed each service hour. This will insure each class will start with a fresh sanitized room.
- Kidzone will not provide snacks. We ask you do not bring snacks/drinks with your K-5th child. Sippy cups, bottles, and baby/toddler snacks are permitted in the preschool wing. (Please clearly label items.)
- No classrooms will intermingle with each other during any part of their time with us. Worship and Bible story time will be held in your child's classroom.
- Only one class at a time will be allowed on the playground.
- Only one child at a time will be allowed in the hallway bathroom.
- Each classroom has a hand sanitizing station at the door. Children will be asked to wash hands when coming and going.
- All Kidzone volunteers will go through a health screening before serving your child. All volunteers will wear a face shield or mask during their time in the classroom with your child.

*Masks are encouraged, but optional for all children in the Kidzone.

COVID-19 Precautions

Cleaning and Disinfecting

Gracepointe Church follows a strict cleaning schedule throughout the week. In addition, all rooms in the Kidzone will be sanitized before each Sunday. Classrooms that will be in use for multiple service hours will be cleaned and sanitized between each use.

All rooms will be sanitized using Mediclean Disinfectant Spray before each use. In addition to Clorox products on surfaces and toys.
